# WELCOME TO SUPANOVA 2017

## WELCOME TO SUPANOVA COMIC-CON & GAMING EXPO'S APRIL 2017 TOUR OF GOLD COAST AND MELBOURNE!

2017 is our 15th anniversary year! What better way to celebrate than to harken back to our *comicfest!* roots with a slight rebrand in being called **Supanova Comic-Con & Gaming** and an amazing Thor cover thanks to visiting artist, Esad Ribic, with local fellow guest, Gregory Mackay, providing six beautiful pages of his own.

Aside from comics, the other aspect of being a 'Comic-Con' when looking at the biggest and best, Comic-Con International: San Diego, is the exclusive panels and screenings they have and for Australia we're doing exactly that with seven different film and TV productions sending cast and/or crew. We're so excited!

In contrast, adding 'Gaming' is a step into the future with Supanova working hard to bring even more interactive elements to our events for you to enjoy. Walking into our events you'll be able to see the differences firsthand.

We also have great news for the cosplay community with IronLak sponsoring the competitions. For Gold Coast fans you'll be able to cheer our first ever Supanova Supa-Star Ambassador, John Jarratt, who'll be headlining the Supanova Superhero Parade Sunday morning, April 23rd, along with our Cosplay Ambassadors.

Lastly, we'd like to welcome our new literary sponsor, QBD Books, who join mainstays such as Madman, FilmInk, Domino's Pizza, Popcultcha, Weta, Global Gear and the Gold Coast Film Festival, in helping us make these events the best they can be for you our fans.

### WELCOME TO SUPANOVA 2017 - WHERE WE'VE JUST TAKEN IT TO ANOTHER LEVEL!

Yours in fun,

## HOT TIPS!

**Our patrons and volunteers have put together some of the best advice for con-goers...**

### H2-WHOA

Being fabulous can be draining so stay hydrated! Bring water with you and refill at the bubblers. Pack some snacks if you need a quick energy boost, or have particular dietary needs.

### WHERE R U? OMW!

Track works, road closures or suspended services can really ruin your weekend if not prepared. Check your local public transport website for updates before leaving the house, and make sure you’ve got enough cash left to get out of the carpark!

### POWER UP

Be mindful of your phone battery if you’re using it to coordinate with friends, take videos and photos or catch Pokémon, and *especially* if you’re using it to redeem autograph tickets – or you may miss out! Get your hands on a backup battery, as there may not be outlets available to recharge. Same goes for your camera.

**Want to know something supa-awesome?** The Epic Retro Gaming Lounge in Melbourne will have free phone and game console charging bays available!

### BE PREPARED

Plan to be at a panel or queue at least 10 minutes before it starts – and set alarms to remind you. Have your token or barcode on hand and your item to autograph out and ready – that means out of its wrapper. Bring a folder to store flat items in, or sheet protectors can be purchased on site.

### GET CASH EARLY

Not all retailers and tables can take cards – if you’re intending to buy food, drinks, merchandise or that exclusive print, make sure to carry cash – and get it before you arrive at the expo, as the ATMs lines can get quite long!

### MEETUP

Supanova has a designated Meeting Point at the Information Desk for friends and families to coordinate themselves throughout the day. If you get separated, have a plan!

### NEED HELP?

Feeling overwhelmed by the crowds? Just need some fresh air? Supanova is a busy and noisy place and sometimes you just need a time out. Be sure to ask for help from our Volunteers or at the Information Desk, where trained staff can assist you in feeling yourself again.

### WHAT'S NEW?

## mwave™

"Build it and they will come" goes the movie reference and one of the building blocks is no doubt Mwave Australia, one of Australia's leading online IT retailers, who we're partnering with and whose team have taken on the responsibility in creating the gaming side of the show. Teaming up with leading brands **Intel, Microsoft, NVIDIA, CoolerMaster, HyperX, MSI, Seagate, Thermaltake** and **AGON**, Mwave Australia will be running the 'PC Gaming Zone' in every Supanova starting with Gold Coast and Melbourne so that you can experience the latest in PC Gaming, hands-on competitive LAN, Virtual-Reality (VR) and streaming!

Make It Yours.

### WHY THE CHANGE?

It all started March 25<sup>th</sup>, 2000, in Sydney with the first **comicfest! entertainment expo**. However comic book conventions, or comic-cons, despite San Diego Comic-Con's awesomeness in the USA, were looked down upon and *The Big Bang Theory* wasn't around yet to mainstream it. In 2002 we rebranded to **Supanova Pop Culture Expo** which sounded cool but non-specific and added Brisbane, Melbourne, Perth, Gold Coast and Adelaide between 2003 and 2012. Strangely, before long, we started answering "what's a pop culture expo?" with "like San Diego Comic-Con but with more anime". *Everyone* was finally getting it!

To our mind, the other part that makes a 'comic-con' is exclusive stuff and in particular from film and TV productions. With April's list of **The Osiris Child: Science Fiction Volume One, Boar, Blue World Order, Project Eden: Vol 1, Space/Time, Cleverman** and **Garrison7** we have the beginning, with a whole lot more to come. Check out page 12 for more info.

"That's fine for 'Comic-Con' but what about 'Gaming'?" we hear you ask. Just read the rest of this page. Here we are then, 15 years later, and it's time to stand up proudly and say what we've always been, and that's the **Supanova Comic-Con & Gaming Expo!** But if you've been even once it's simply 'Supanova'!

## ZORACING

ZoRacing is the Official Seat of the 2017 Supanova Tour. With chairs designed to tick all the boxes of functionality, ergonomics, performance and straight out comfort for serious gamers who need the best in support, we're very excited to be working with them.

## Ironlak®

IronLak's brand of paints help bring out the creativity in so many of our fans. They'll be making a huge impression with their custom painted **Twitch Supa-Streaming Stage** backdrops and sponsoring the main prize of \$1,000 in paints for the winner of our Cosplay Competitions. That will add even more colour to their next designs! Stop by the free Ironlak Creative Corner experience and store to try out all their amazing art products on the show floor in Gold Coast.

### MELBOURNE EXCLUSIVE

Step back to a time when games were much simpler with Epic's Retro Gaming Lounge; recharge your phones and hand held devices at the Recharge area; and learn how to turn your phone into the ultimate VR experience with Epic's own Google Cardboard VR. If that's not enough, nerd out with Epic Gaming's super store filled with tonnes of new and retro games, consoles and trading cards.

Video Gaming and **Twitch** are synonymous, so our rebranding isn't complete without a live streaming partnership with the industry leader! Get the full lowdown on all the worldwide live **Supa-Streaming Stage** action, on page 36.

We're pumped in welcoming Hasbro's Nerf, the world's leading manufacturer of foam-based toy blaster weaponry, to Supanova across all six shows in 2017! Supa-Fans will have the opportunity to test drive their amazing blasters by heading over to NerfHQ, where you will find both the **Nerf N-Strike Mega DoubleBreach** (that fires 2 darts in a row) and **ZombieStrike OutBreaker**, or test your accuracy with the **Nerf N-Strike AlphaHawk** – part of the **AccuStrike** Series. Make sure you challenge your friends for some great fun.

It's time for Fitz & the Fool

# SUPA-STAR AMBASSADOR

Don't forget to follow me on social media to see what I get up to behind the scenes at Supanova!

realjohnjarratt

realjohnjarratt

realjohnjarratt

A big G'DAY! to all you Supanovians. I'm proud and honoured to be the Ambassador for Supanova. I'll be at all the Supanovas – Gold Coast, Melbourne, Sydney, Perth, Adelaide and Brisbane, with our Australia-wide Supanova family. It'll be my job to spread the word during 2017 to other Aussies as to how great it is to come join us in the exhilarating fun world of Supanova. I'm gonna be having a great time, as usual. Exciting year for me, we're shooting **Wolf Creek: Series 2** in July/August for a late 2017 release on Stan. I'm also starring in **Boar**, a monster film about a bloody big pig, the size of a Rhino, that terrorises a country town. I play a pig shooter who goes out and takes the monster on! It should be out in a cinema near you in late 2017.

Everything you want from Supanova will be there waiting for you. Check the website for all the big stars in every genre you can think of. Never understood the Zombies, bits falling off them everywhere and they walk slower than your Nanna, not hard to get away from... Maybe we should do Zombies at **Wolf Creek**. Can you imagine Mick Taylor picking them off like flies?! Mick would have a ball; it'd be a smorgasbord for him. Look forward to seeing you all at your nearest Supanova. Let the fun begin!

All the best,  
**John Jarratt**

## FAST FIVE WITH JOHN JARRATT

### 1 What makes Mick Taylor such an iconic character?

He's like the anti-Croc Dundee, a likeable larrikin who happens to be a madman. He lives in the scary outback and people like him exist.

### 2 What's been the craziest thing that you've had to do in-character?

I think killing yoga woman on Stan's **Wolf Creek: Series One** was weird. The dialogue was weird.... But good weird.

### 3 What's a film or TV project you've been in that more people should see?

**Boar**, about a massive pig to be released in cinemas in late 2017.

### 4 Is there a dream role you'd like to land?

My next one.

### 5 What's the weirdest thing you've signed for a fan?

I signed my name on this bloke's forearm Saturday morning, he came back Sunday arvo with it tattooed!

Turn your passion  
into a career!

# MARVEL: CREATING THE CINEMATIC UNIVERSE

ADVERTORIAL

**27 MAY - 3 SEPTEMBER 2017**

**GALLERY OF MODERN ART, BRISBANE**

Experience the largest Marvel exhibition ever presented, exclusively at Brisbane's Gallery of Modern Art. Follow Thor, Iron Man, Captain America, Hulk, Black Widow, Hawkeye and their allies and adversaries from the pages of Marvel Comics to their big-screen incarnations.

The exhibition features more than 500 artworks from Marvel's archives and private collections, with iconic objects such as Thor's hammer, Captain America's shield and Iron Man's armour. Alongside the original comic book covers which introduced the characters and influenced the films are dynamic works of concept and keyframe art, more than 60 original costumes, over 150 props, and never-before-seen set pieces from the upcoming film *Thor: Ragnarok*, including the majestic Asgardian throne room. The exhibition looks in detail at Iron Man, Hulk, Captain

America and The Avengers as a team, while also delving into the realms of Ant-Man, Doctor Strange and Guardians of the Galaxy.

Curated by QAGOMA, **Marvel: Creating the Cinematic Universe** offers a glimpse into the work of production designers, storyboarding and pre-visualisation artists, costume and prop designers, and visual effects artists. Interactive elements throughout the exhibition will let visitors delve even further into the Marvel Cinematic Universe.

In association with the exhibition, the Gallery's Australian Cinémathèque will screen a retrospective of Marvel Cinematic Universe films, from the breakthrough *Iron Man* in 2008 to this year's *Spider-Man: Homecoming*.

# COSPLAY CREATIONS!

**ANY SUPANOVA ATTENDEE WILL TELL YOU THAT COSPLAY IS DEFINITELY ONE OF THE HIGHLIGHTS OF THE EXPO, WHETHER YOU'RE A SERIOUS COSPLAYER OR JUST HAVING FUN TAKING SNAPS!**

With an amazing array of Cosplay activities, competitions and events for everyone – from panels for beginners to international competitions, Supanova is dedicated to providing a safe and welcoming experience for everyone!

## COSPLAY AMBASSADORS

The Cosplay Community in Australia has been steadily growing over the past decade, and it shows no sign of slowing down. The Cosplay Ambassadors are more than just guest cosplayers; they will be giving the cosplay community a direct line of communication with Supanova. Both have an extensive Cosplay history, with countless competition wins and international trips to visit cosplayers all around the world as well as unique and varied skill sets in and out of cosplay.

The Cosplay Ambassadors can be found at Cosplay HQ, unless they are off judging the cosplay competition or running a panel to tell you a bit more about themselves and their skills. Drop by Cosplay HQ, say hello and share your ideas!

### A.K. WIRRU

A.K. Wirru has been crafting since he was 5 years old, when he really wanted a movie prop replica and his parents told him “why buy when you can just make?” It all started from there. His free time since childhood has been spent doing one artistic project after another – prop crafting, music writing, drawing, performing, you name it! He started using his skills specifically for Cosplay in 2006. He has won over 70 awards in competitions around Australia in all categories including Best Craftsmanship, Best Skit, Best Cosplay and Best in Show. In 2010 and 2014, he won the Madman National Cosplay Championship by producing two costumes and performances (one to qualify, one for the finals). In 2012, he represented Australia in the World Cosplay Summit as Team Australia with his best friend, Tsubaki. A.K. Wirru’s main focus as a cosplayer is to be as diverse in his craft as possible – to not be limited to one speciality like sewing, prop making or armour building. He loves to use and learn whatever skills and medium it takes to achieve his desired result, and sharing it with everyone along the way!

### UNTANGLED: WORKING WITH WIGS

Join Echoing Artemis as she discusses the sourcing, styling and upkeep of these key accessories. Come along to learn a trick or two, ask questions, and maybe even try out some techniques.

## BRINGING CHARACTERS TO LIFE: CREATING MEMORABLE IMAGES

As cosplayers, we spend so much time and effort creating our outfits. So why not immortalise that by creating timeless and memorable images? Being in front of the camera is scary, but everyone can do it! In this panel A.K. Wirru will discuss key factors to a great photoshoot – from how to be confident in our poses, to how to bring the world of our characters into reality! Suit up everybody. It’s time to WERK IT!

### ECHOING ARTEMIS

Melissa (Echoing Artemis) is an award-winning cosplayer from Canberra who lost count of her outfits years ago. 2017 marks her fourteenth year of creating costumes, which she looks forward to sharing with you. Cosplay has introduced Melissa to an endless array of skills and techniques, although she professes a particular fondness for sewing and wig-styling. It has also introduced her to incredible, like-minded folks and the community has quickly become one of her favourite parts of the hobby. She is passionate about ensuring that the community is a welcoming and positive place for others, aiming to give back through panels, online tutorials and encouragement. Melissa’s alter ego is that of a registered psychologist. This allows her to support the community in unique ways, so you’ll often find her speaking on mental health panels or checking in on Supanova’s safe spaces. She’s always happy to chat, so be sure to drop by and say hello!

## MADMAN NATIONAL COSPLAY CHAMPIONSHIP (Melbourne Exclusive)

Cosplay fans around Australia, get excited! The Madman National Cosplay Championship returns in 2017 with a fresh new look! This year, Supanova will play host to 2 events – in Melbourne and Sydney – for the preliminary rounds of the championship. With a total of seven rounds featuring competitors from Australia and New Zealand, all competing for a place in the finals taking place this year for the first time at Madman Anime Festival in Melbourne, November 4-5. Come and see who will represent your state in Victoria and NSW only at Supanova!

## COSPLAY REPAIR STATION

Attention Cosplayers! We've all had that dreadful moment at a convention: A costume malfunction, usually at the worst time. Something needs sewing. Something needs hot glue. Something needs to be done! But where to go for help? Cosplay HQ Repair Station, that's where! Our skilled team is able to assess and repair your costume, give you quality advice and get you out and ready for your photo shoots and onto the stage for the competition.

## SUPANOVA COSPLAY COMPETITION

The Supanova Cosplay Competition presented by Madman Entertainment is always the highlight of a Supanova weekend for so many people. So it's time to finish off your amazing costume, put together your best performance and make that stage your own as you compete for amazing prizes. Our cosplay judges will be looking for the best from all our entrants and rewarding those who stand above the rest.

In 2017 we welcome our new category sponsor Ironlak, who will be supporting our 'Saturday Best in Show' through the year with an amazing \$1000 voucher on their range of incredible paints and other art supplies.

**Best in Show:** Overall, the standout costume from the entire competition!

**Best Cosplay:** Combining Character Portrayal, and Costume Quality!

**Best Craftsmanship:** For those dedicated to the craft that is Costume Making!

**Best Performance:** Entertaining, Engaging or Funny – this is a show after all!

**Best Group:** Two or More great costumes together, always amazing to see!

**Judges Award:** Some costumes deserve recognition, even if they don't fit other categories!

**MADMAN Ironlak®**

## HEY SUPA FANS!

Cosplay has really become one the most amazing parts of Supanova over the past 15 years and we have had to put some rules in place about prop weapons and cosplay requirements. With the skills and quality of cosplay always growing, technology changing and legislative requirements which we all have to meet, Supanova has put them all into the new Supanova Cosplay Guidelines.

### 1. RESPECT EVERYONE

We are all here to have a great time!

### 2. EXCESSIVE PROP WEIGHTS

We don't want to see anyone injured by a heavy prop!

### 3. EXCESSIVE PROP AND COSTUME SIZES

We have increased the length restriction up to 1.5 metres!

### 4. STATE AND FEDERAL LEGISLATIVE REQUIREMENTS

Some things are not allowed, we don't want to see them.

### 5. HAZARDOUS MATERIALS

Metal Blade/Firearms are not safe for a convention!

### 6. COSPLAYHQ'S WEAPONS CHECK

We are here for the cosplayers of Supanova!

The Supanova Cosplay Guidelines were developed with months of feedback from the Australian cosplay community to balance the requests of cosplayers, but also the requirements of Supanova. Check out the Supanova Website for the full list of Supanova Cosplay Guidelines <http://www.supanova.com.au/weapons-policy/> or come speak to the team at CosplayHQ.

**MOST POP CULTURE CONVENTIONS HAVE AN ARTISTS' ALLEY. US? WE HAVE THE ALLEY! SHOWCASING INCREDIBLE ARTISTS, FAN CLUBS, STORYTELLERS AND TRADERS OF THE MOST AMAZING MERCH, THE ALLEY IS AN ABSOLUTE MUST-SEE FOR EVERY VISITOR TO SUPANOVA. TO MAKE IT EASIER TO DISCOVER WHAT MAKES YOUR HEART POUND OR SOAR, THE ALLEY IS DIVIDED INTO THE FOLLOWING EASILY NAVIGATED DISTRICTS...**

This is the place for indie gaming and film/TV-based start-ups and promotions. Get in on the ground floor of these grass roots creative endeavours!

The home of artisans and craftspeople producing their own prints, posters and postcards, jewellery and badges, t-shirts and other amazing wearables, mugs, frames, statues and any number of other incredible, singular products.

The name says it all! Fans showing and sharing their love for their chosen obsessions. Hook up with kindred spirits and benefit from the camaraderie of shared interests. This is also where you'll find charity organisations.

This is where storytellers of all kinds can be found. Whether presented in comics or graphic novels, self-published children's books or novels, manga or mini-comics, it's all here – presented by the creators, writers, artists and publishers themselves.

This is where you can discover those hard to find collectables and imports, interesting and must have artifacts, and stuff that just can't be found anywhere else! The Supa Market fills the gap between the large importers and the lone creators.

#### LYNETTE NONI

Hailing from Queensland, Lynette Noni is the author of **The Medoran Chronicles – Akarnae, Raelia**, and most recently, **Draekora** – which fuses magic, wonder, willpower and technology, and plays out like **Harry Potter** meets **Narnia** meets **The X-Men**. An active blogger, Lynette has an impressive and rapidly growing international following.
