WELCOME TO SUPANOVA 2017

WELCOME TO SUPANOVA COMIC CON & GAMING'S NOVEMBER 2017 TOUR OF BRISBANE AND ADELAIDE!

2017 is our 15th anniversary, and we're celebrating by harkening back to our comicfest! roots with a slight rebrand – Supanova Comic Con & Gaming – and hosting the legendary Stan 'The Man' Lee as our headlining guest for the largest Brisbane and Adelaide expos we've ever delivered.

Hopefully they'll be the most fun events too!

Aside from comics, the other parts of being a 'Comic Con' when looking at the biggest and best – Comic-Con International: San Diego – are the exclusive panels and screenings that they host, and for Australia we're doing exactly that with a number of film and TV productions sending cast and/or crew. We're so excited, especially as the enigmatic John Jarratt is our Supa-Star Ambassador!

In contrast, adding 'Gaming' is a step into the future, with Supanova working hard to bring even more interactive elements for you to enjoy. Walking into our events, you'll be able to see the differences firsthand with companies such as Mwave, Nerf and Twitch, all contributing.

We have great news for the cosplay community with Ironlak sponsoring the competitions and the world renowned Kamui Cosplay touring with us. We'll also be introducing our freshly minted 2017/2018 Cosplay Ambassadors.

Lastly, we'd like to thank our sponsors for helping make each of these events the best they can be for you our fans; Popcultcha, QBD Books, FilmInk, Madman, Domino's Pizza, Weta, Global Gear and AVCon.

HOT TIPS!

Our patrons and volunteers have put together some of the best advice for con-goers…

H2-WHOA

Being fabulous can be draining so stay hydrated! Bring water with you and refill at the bubblers. Pack some snacks if you need a quick energy boost, or have particular dietary needs.

WHERE R U? OMW!

Track works, road closures or suspended services can really ruin your weekend if not prepared. Check your local public transport website for updates before leaving the house, and make sure you've got enough cash left to get out of the carpark!

POWER UP

Be mindful of your phone battery if you're using it to coordinate with friends, take videos and photos, or catch Pokémon, and *especially* if you're using it to redeem Autograph Tokens – or you may miss out! Get your hands on a backup battery, as there may not be outlets available to recharge. Same goes for your camera.

BE PREPARED

Plan to be at a panel or queue at least 10 minutes before it starts – and set alarms to remind you. Have your Token or Barcode on hand and your item to autograph out and ready – that means out of its wrapper. Bring a folder to store flat items in, or sheet protectors can be purchased on site.

GET CASH EARLY

Not all retailers and tables can take cards – if you're intending to buy food, drinks, merchandise or that exclusive print, make sure to carry cash – and get it before you arrive at the expo, as the ATM lines can get quite long!

MEETUP

Supanova has a designated Meeting Point at the Information Desk for friends and families to coordinate themselves throughout the day. If you get separated, have a plan!

NEED HELP?

Feeling overwhelmed by the crowds? Just need some fresh air? Supanova is a busy and noisy place and sometimes you just need a time out. Be sure to ask for help from our Volunteers or at the Information Desk, where trained staff can assist you in feeling yourself again.

WELCOME TO supanova™ comic con & gaming

WHY THE CHANGE?

Supanova was first born in Sydney on the 25th March, 2000, as **comicfest! entertainment expo**. Sadly, around that time comic book conventions, or comic-cons, were looked down upon, so resistance to the name was heard almost immediately. Even though San Diego Comic-Con was already building steam and popularity in the USA, Australia wasn't quite ready!

With this in mind, in 2002 we rebranded to **Supanova Pop Culture Expo**. Its ambiguity allowed us to pitch the event as required and by promoting directly to our core audience we expanded into Brisbane in 2003, Melbourne and Perth in 2008 and then Adelaide and the Gold Coast in 2012. Nonetheless, thoughout all the changes and expansions we never lost sight of our roots, so whenever we were asked to define a "pop culture expo" we answered: "Like San Diego Comic-Con but with anime".

The other part of what makes a "comic con" is the exclusive panels and seminars from film and TV productions and we have them in spades this tour with ***Blue World Order, Project Eden: Vol.1, Space/Time*** and ***3010 The Righteous Path*** that you can read a whole lot more about on page 12.

Now 15 years later, to help the general public better understand who we are we've taken the plunge to rebrand to **Supanova Comic Con & Gaming** – while knowing that if you've been once it's simply **Supanova**!

WHAT'S NEW?

mwave

"Build it and they'll come" goes the movie reference and one of the building blocks is no doubt **Mwave Australia**, one of Australia's leading online IT retailers, who we're partnering with and whose team have taken on the responsibility of creating the gaming side of the show. Teaming up with leading brands – **Intel**, **Microsoft**, **NVIDIA**, **CoolerMaster**, **HyperX**, **MSI**, **Seagate**, **Thermaltake** and **AGON**; Mwave Australia will be running the 'PC Gaming Zone' at every Supanova so that you can experience the latest in PC Gaming, hands-on competitive LAN, Virtual-Reality (VR) and streaming!

ZQRACING

We also welcome our seat sponsor, **ZQRacing**, who'll be ensuring all of our panellists are Supa-comfortable throughout the November tour. With chairs designed to tick all the boxes of functionality – ergonomics, performance and straight out comfort for serious gamers who want the best in support – we're very excited to be working with them.

Ironlak®

It's also a great honour to host, **Ironlak**, whose brand of paints help bring out the creativity in so many of our fans. They'll be making a huge impression with their custom painted Supa-Streaming Stage backdrops while also sponsoring the main prize of $1,000 in paints for the winner of our Cosplay Competitions, which will add even more colour to our cosplayers' next designs! Make sure you stop by their booths at both events.

NERF HQ

In more brilliant news, we're pumped in welcoming Hasbro's **Nerf** – the world's leading manufacturer of foam-based toy blaster weaponry – to Supanova across all six shows in 2017! Supa-Fans will have the opportunity to test drive their amazing blasters and their latest and greatest releases by heading over to Nerf HQ. Deliver a double attack with the **Nerf N-Strike Mega DoubleBreach Blaster** (that fires 2 darts in a row), use the **ZombieStrike OutBreaker Bow**, or test your accuracy with the **Nerf N-Strike AlphaHawk** – part of the **AccuStrike** Series. Make sure you challenge your friends for some great fun.

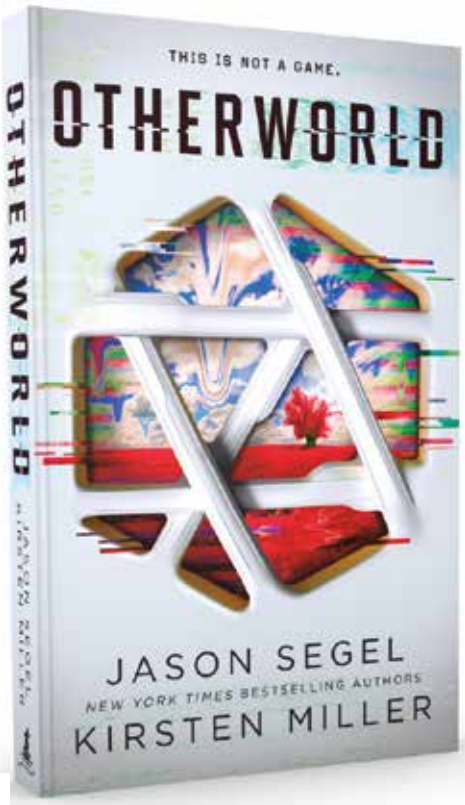

twitch

Video Gaming and **Twitch** are synonymous, so our rebranding isn't complete without a live streaming partnership with the industry leader! Get the full lowdown on all the worldwide live Supa-Streaming Stage action, on page 34.

All in all, you can see that we really have taken it to another level and are intent on earning our Comic Con & Gaming cred one event at a time!

JOHN JARRATT

A bona fide Aussie legend with roles in local classics like ***Picnic at Hanging Rock***, ***The Odd Angry Shot***, ***We of the Never Never***, and many, many more, Quentin Tarantino's favourite Aussie actor became an instant pop culture icon when he sharpened his knife and loaded his gun to play outback serial killer, Mick Taylor, in ***Wolf Creek*** and its follow ups.

Also a singer and musician, Kane is currently appearing on the popular action adventure series, ***The Librarians***.

FRANZ DRAMEH

First establishing his cult credentials with the genre flicks, ***Attack the Block*** and ***Edge of Tomorrow***, English actor Franz Drameh is now truly hot property as Jefferson "Jax" Jackson, aka the crime fighting, time travelling superhero, Firestorm, on the hit DC television series, ***Legends of Tomorrow***.

SUPA-STAR AMBASSADOR

Don't forget to follow me on social media to see what I get up to behind the scenes at Supanova!

realjohnjarratt realjohnjarratt realjohnjarratt

A big G'DAY! to all you Supanovians. I'm proud and honoured to be the Ambassador for Supanova. I'll be at all the Supanovas – Gold Coast, Melbourne, Sydney, Perth, Adelaide and Brisbane, with our Australia-wide Supanova family. It'll be my job to spread the word during 2017 to other Aussies as to how great it is to come join us in the exhilarating fun world of Supanova. I'm gonna be having a great time, as usual. Exciting year for me, we're shooting ***Wolf Creek*: Series 2** in July/August for a late 2017 release on Stan. I'm also starring in ***Boar***, a monster film about a bloody big pig, the size of a rhino, that terrorises a country town. I play a pig shooter who goes out and takes the monster on! It should be out in a cinema near you in late 2017.

Everything you want from Supanova will be there waiting for you. Check the website for all the big stars in every genre you can think of. Never understood the zombies, bits falling off them everywhere and they walk slower than your nanna, not hard to get away from… Maybe we should do zombies at ***Wolf Creek***. Can you imagine Mick Taylor picking them off like flies?! Mick would have a ball; it'd be a smorgasbord for him. Look forward to seeing you all at your nearest Supanova. Let the fun begin!

All the best,
John Jarratt

FAST FIVE
WITH JOHN JARRATT

1 What makes Mick Taylor such an iconic character? He's like the anti-Croc Dundee, a likeable larrikin who happens to be a madman. He lives in the scary outback and people like him exist.

2 What's been the craziest thing that you've had to do in-character? I think killing yoga woman on Stan's ***Wolf Creek***: Series One was weird. The dialogue was weird…. But good weird.

3 What's a film or TV project you've been in that more people should see? ***Boar***, about a massive pig to be released in cinemas in late 2017.

4 Is there a dream role you'd like to land? My next one.

5 What's the weirdest thing you've signed for a fan? I signed my name on this bloke's forearm Saturday morning, he came back Sunday arvo with it tattooed!

Turn your passion into a career!

STAR WARS... IT'S SUDDENLY ALL BECOME CRYSTAL CLEAR

STAR WARS HAS INSPIRED SOME PRETTY INTERESTING MERCH OVER THE YEARS, BUT THESE LATEST ITEMS ARE ESPECIALLY SPARKLY AND INTERESTING...

From tauntaun sleeping bags and C3PO breakfast cereal through to replica lightsabers and screen-ready, full-kit costumes, the mighty cinematic behemoth that is *Star Wars* has prompted some highly inspired merchandise over the years. But the latest batch of collectible *Star Wars* gear to come across our Han-Solo-frozen-in-carbonite desk has a slightly more high-end feel than most.

The Austrian-based company, Swarovski, are best known for their crystal jewellery and luxury accessories, but they've taken a hard left into a galaxy far, far away with a range of new *Star Wars* collectibles. Hardcore fans chasing something a little more stylish than a coffee mug with Admiral Akbar's face on it or a set of *The Empire Strikes Back* bedsheets can now pick up three fine-cut crystal pieces inspired by *Star Wars: The Force Awakens*.

Showcasing Swarovski's renowned craftsmanship, these beautifully designed collectibles feature authentic and highly detailed depictions of the film series' much-loved droids: R2-D2, C-3PO (complete with *Star Wars: The Force Awakens*-era red arm), and rotund, rolling new-kid-on-the-block, BB-8. Check out the pics below, and start squirrelling away your pocket money now!!!

COSPLAY CREATIONS!

ANY SUPANOVA ATTENDEE WILL TELL YOU THAT COSPLAY IS DEFINITELY ONE OF THE HIGHLIGHTS OF THE EVENT, WHETHER YOU'RE A SERIOUS COSPLAYER OR JUST HAVING FUN TAKING SNAPS!

With an amazing array of Cosplay activities, competitions and events for everyone – from panels for beginners to international competitions, Supanova is dedicated to providing a safe and welcoming experience for everyone!

COSPLAY AMBASSADORS

The Cosplay Community in Australia has been steadily growing over the past decade, and it shows no sign of slowing down. The Cosplay Ambassadors are more than just guest cosplayers; they will be giving the Cosplay Community a direct line of communication with Supanova. Both have an extensive cosplay history, with countless competition wins and international trips to visit cosplayers all around the world as well as unique and varied skill sets in and out of cosplay.

The Cosplay Ambassadors can be found at **CosplayHQ**, unless they are off judging the cosplay competition or running a panel to tell you a bit more about themselves and their skills. Drop by **CosplayHQ**, say hello and share your ideas!

INTERNATIONAL COSPLAY SUPA-STAR: KAMUI COSPLAY!

Svetlana Quindt (AKA Kamui Cosplay) is an acclaimed costume designer, author and cosplayer from Germany. With over 14 years' experience and a never ending desire to start the next big project, she has created many award winning costumes and recently published a hugely popular series of cosplay instructional books that have become the entry point for many cosplay newcomers worldwide. Even though she now tours all over the world at international conventions she loves nothing more than to support newcomers as well as veterans in creating their big dream costumes.

It all started with Svetlana's elaborate armours from *World of Warcraft*, *Diablo* and *League of Legends* and with them she played an integral role in making the German made material "Worbla"; a big player on the international cosplay scene. For every cosplay problem she has an answer – either as a photo, video, or in one of her tutorial books.

MOON PRISM POWER MAKE UP!

Ever wanted to become a magical girl? Well, now you can! Learn how to make your very own Sailor Scout costume from scratch with our Cosplay Ambassador Floksy Locksy. Covering how to use patterns, what fabrics and tools you will need and many other handy tips and tricks to get you on your way to fighting evil by moonlight!

CREATING ARMOUR WITH KAMUI COSPLAY

Kamui's extensive experience with all things armour ensures this panel will be an amazing opportunity to pick up the best trips and tricks for your next armour build. From foam to thermoplastics to that all-important paint job, Kamui will outline the best techniques and answer all your questions.

ELECTRONICS FOR COSPLAY

Ever wanted to add lights, sounds and movement to your cosplay? Learn how to get involved with DIY electronics and explore the possibilities for your next cosplay masterpiece. Find out the difference between Arduino and Raspberry Pi, the basics of wearable electronics and how you can learn with the Brisbane Hackerspace.

FLOKSY LOCKSY

Floksy Locksy is an Adelaide based cosplayer who has been making her own costumes since 2012. Although sewing is her favourite part of costuming she enjoys working with a wide variety of different materials and is constantly trying new things to add to her skill set. Beginning as a hobby roughly 6 years ago, she quickly fell in love with making her own costumes and started challenging herself to more and more difficult projects. Since then she has travelled around Australia attending conventions, placing at competitions and working towards her cosplay dreams. She's been a cosplay judge for Supanova for the past two years. She looks forward to sharing her knowledge and experiences with you all so please come by **CosplayHQ** and say, "HI!"

THE BASICS OF SILICONE MOULDS AND RESIN CASTING

Join our Cosplay Ambassador CB Studios as he demonstrates how to make moulds from silicone and use them to cast products in resin. This panel will provide an introduction to various forms of silicones and resins, their uses and the effects that can be achieved with even a basic knowledge of the materials. CB will also perform a live practical demonstration on stage, so be sure to come and watch!

CB STUDIOS COSPLAY

CB has been cosplaying since 2005. Starting out with a basic homemade Darth Vader costume, slowly honing his skills to the point of producing quality costumes, from a wide variety of materials and techniques. CB has multiple cosplay and costume wins under his belt, as well as several conventions worth of competition judging experience. CB's costumes are made with high quality pieces and materials, and he has taught himself to use leather, fibreglass, resins and casting rubbers, plastics, vinyl, foam and electronics as well as prosthetic and traditional make-up.

SUPANOVA COSPLAY COMPETITION: PRESENTED BY MADMAN

The Supanova Cosplay Competition (presented by Madman) is always the highlight of a Supanova weekend for many people. So it's time to finish off your amazing costume, put together your best performance and make that stage your own as you compete for amazing prizes. COSPLAY REPAIR STATION

Attention cosplayers! We've all had that dreadful moment at a convention: a costume malfunction, usually at the worst time. Something needs sewing. Something needs hot glue. Something needs to be done! But where to go for help? **CosplayHQ** Repair Station, that's where! Our skilled team is able to assess and repair your costume, give you quality advice and get you out and ready for your photo shoots and onto the stage for the competition.

HEY SUPA-FANS!

Cosplay has really become one the most amazing parts of Supanova over the past 15 years and we have had to put some rules in place about prop weapons and cosplay requirements. With the skills and quality of cosplay always growing, technology changing and legislative requirements which we all must meet, Supanova has put them all into the new Supanova Cosplay Guidelines. **The 6 Core Guidelines are the following!**

1. RESPECT EVERYONE
We are all here to have a great time.

2. EXCESSIVE PROP WEIGHTS
We don't want to see anyone injured by a heavy prop.

3. EXCESSIVE PROP AND COSTUME SIZES
We have increased the length restriction up to 1.5 metres.

4. STATE AND FEDERAL LEGISLATIVE REQUIREMENTS
Supanova complies with local laws – check them to be certain you're clear.

5. HAZARDOUS MATERIALS
Metal blade/firearms are not safe for a convention.

6. COSPLAYHQ'S WEAPONS CHECK
We are here to assist the cosplayers of Supanova.

The Supanova Cosplay Guidelines were developed with months of feedback from the Australian cosplay community to balance the requests of cosplayers but also the requirements of Supanova. Check out the Supanova website for the full list of the Supanova Cosplay Guidelines: **http://www.supanova.com.au/weapons-policy/** or come speak to the team at **CosplayHQ**.

LITERARY PANELS

FANTASTIC BEASTS AND HOW TO WRITE THEM

With very few of us being trained Magizoologists, is writing fantastic beasts, creatures and monsters still achievable? Luckily, we have scoured the Muggle world to find the most talented writers who are willing to share their secrets. You won't even need a Revelio charm!

PUSHING THE BOUNDARIES OF YA (Brisbane Exclusive)

Young-adult novels are behind some of the biggest movies of our time, proving that books written for teens are equally loved by all ages. So, this begs the question, where are the boundaries when it comes to separating young adult fiction from adult, and what is the secret to writing for the young adult audience and capturing the adult market?

THE TIME(LESS) LORD OF SCIENCE, DR KARL KRUSZELNICKI, IS BACK

No need for the Tardis when you can mind travel through "wibbly-wobbly" theories of Time Travel. Find out what connects God, caffeine and chocolate? How does streaming a video for an hour use more electricity than running a fridge for a week? And just what is a "vomitorium"? The Doctor lays it all down – without resorting to a Sonic Screwdriver.

INFINITE DIVERSITY IN INFINITE COMBINATIONS

A panel on the importance of diversity in all aspects of geek culture, from media sources through to the spaces in which we engage with them.

COMIC PANELS

COMICS – HERO OR SIDEKICK?

Many of us struggle with depression, anxiety and other mental illnesses. But why do geeks seem particularly vulnerable? And are there any solutions that may be relevant to our community? This talk will explain how depression works, and explore geek-specific strategies that will help you reset, reload, and begin your quest anew. At last!
Failure after failure
But now, finally, we are ready
The power to take us forward, to rid ourselves of those who would hold us back
CLICK!
Who would have thought...
That something so small would deliver such POWER!

Meanwhile...
I have to stop them
Or all this will be gone!
Wiped out in an instant.
They don't see the scale of what they toy with
Or perhaps they do but dont care
But this may be our last chance.

Heads up.
Your training . . .
BASH
. . . needs some work
PAF!
But I'm here for your master.

BASH
So brash, little one.
Yet that is so like your kind. No patience, no perspective. But all that will be over soon. All gone. Nothing left save those whose destiny it is the ascend to the next plane
Destiny!? You're nothing but a thief. You'll end the world with what you have stolen from our ancestors.
Stolen? No.
Improved . . . transformed.
I suspect you think I do not understand this power. But quite the opposite. In fact the only thing I do not understand is why your kind are so unwilling . . .
To use it.
NO!

GAAAAH!
EEEE
EEEE
FWEEEEEEEEEEEEE
FOOM!
OOF.
Poor little thing
This is worse than I thought
They've harnessed the Elder Powers!
There's no turning back now

The power that created this world. And they would use it to destroy everything. Such greed.
But they cannot hide, not behind their walls
Not From us
