WELCOME TO SUPANOVA 2018

WELCOME TO THE SUPANOVA COMIC CON & GAMING, APRIL 2018, TOUR OF MELBOURNE AND GOLD COAST!

Epic!

That's the only way to describe what we have planned for 2018!

From the ground up, including how we're promoting our events (you may have seen our first ever filmed advertising campaign with our #heroeswanted call to action); to the stars we're hosting like Doctor Who and Clark Kent themselves, Peter Capaldi and Tom Welling; to the events we're activating within our expos such as the Free To Play Zone and our largest Alleys ever for either city – we've aimed for next level!

We're also continuing to focus on bringing Comic Con-style goodness in working with local productions such as *Occupation*, who'll be present in force with a star-laden appearance and not to be missed exhibit.

For cosplay fans we have local stars, Action Reaction, that'll blow your minds before the Cosplay Competitions on Sundays and hanging around Cosplay HQ throughout the weekends for meet and greets.

Then there's city specific awesomeness such as Nintendo's 2018 AUNZ Splatoon 2 Cup Grand Final that'll be held at their booth at 1pm Saturday (21st April) in Melbourne; and Gold Coast's Supanova Superhero Parade from 9am Sunday (29th April).

Lastly, as always, how can we not thank our sponsors who help make this all happen? Our sincerest thanks to QBD Books, Madman, FilmInk, Domino's Pizza, Popcultcha, Global Gear, Gold Coast Film Festival, ZQ Racing, Mwave and Lumin's Workshop. They really do help us be the 'epic' we're always striving for.

Yours in fun!

EACH TOUR WE INTRODUCE A TEAM MEMBER THAT WORKS HARD BEHIND THE SCENES TO BRING YOU, SUPANOVA.

PLEASE MEET THE FACES OF SUPANOVA TV - QUINNY AND BEC!

QUINNY

David "Quinny" Quinn has been an actor, host and performer since 1996. It was in 2004 however, that he got involved in the world of podcasting; '(Cool) Shite on the Tube' was initially started by three friends with a love of TV and films and a desire to talk to the world about it.

While doing this weekly show in 2005 Quinny was first introduced to Supanova. Through some creative decision-making the team was invited to host and record all the panels from that show and produce them as Supanova Podcasts. Since then, Quinny has been a fixture at every single Supanova expo, hosting on stage and in recent years on camera with Supanova TV. He has had the incredible pleasure of meeting and working with some of his heroes and has been lucky enough to find a whole new family within the Supanova world.

For the last 4 years Quinny has been the co-host of two completely different productions: He's been appearing on cinema screens all over the country as a part of the cult movie night, Event Cinema's "In the House" and he's also returned to the podcasting sphere with "The Periodic Table of Awesome", a review show which aims to find the Awesome in everything.

The pop culture landscape has changed so much in the last 13 years and fandom has changed with it. Quinny considers himself to be incredibly fortunate to not only witness these changes, but to also help be a part of making them happen.

BEC

Raised on a solid diet of pop culture references and classic rock, Bec attended her first Supanova in 2006 and hasn't missed a year since. From the moment she donned her first cosplay and walked through the rows of vendor stalls to line up and meet her favourite Supa-Stars she knew that this place was her home away from home. The friendships she has forged with fellow attendees and experiences she has had over 12 years of Supanova expos couldn't have been found anywhere else.

These days, Bec is an internationally renowned award-winning cosplayer under her superhero pseudonym Ardella. She plays D&D, sings karaoke (badly and off-key), quotes *The Princess Bride* whenever possible and holds onto a hope that Mara Jade will be re-introduced to the *Star Wars* canon. Passionate about the community, Bec loves that Supanova brings people from all walks of life together to share in a mutual love for all things pop culture and let our geek flags fly.

SUPANOVA'S THE ALLEY!

MOST POP CULTURE CONVENTIONS HAVE AN ARTISTS' ALLEY. US? WE HAVE THE ALLEY! SHOWCASING INCREDIBLE ARTISTS, FAN CLUBS, STORYTELLERS AND TRADERS OF THE MOST AMAZING MERCH, THE ALLEY IS AN ABSOLUTE MUST-SEE FOR EVERY VISITOR TO SUPANOVA. TO MAKE IT EASIER TO DISCOVER WHAT MAKES YOUR HEART POUND OR SOAR, THE ALLEY IS DIVIDED INTO THE FOLLOWING EASILY NAVIGATED DISTRICTS...

This is the place for indie gaming and film/TV-based start-ups and promotions. Get in on the ground floor of these grass roots creative endeavours!

The home of artisans and craftspeople producing their own prints, posters and postcards, jewellery and badges, t-shirts and other amazing wearables, mugs, frames, statues and any number of other incredible, singular products.

The name says it all! Fans showing and sharing their love for their chosen obsessions. Hook up with kindred spirits and benefit from the camaraderie of shared interests. This is also where you'll find charity organisations.

This is where storytellers of all kinds can be found. Whether presented in comics or graphic novels, self-published children's books or novels, manga or mini-comics, it's all here – presented by the creators, writers, artists and publishers themselves.

This is where you can discover those hard to find collectables and imports, interesting and must have artifacts, and stuff that just can't be found anywhere else! The Supa Market fills the gap between the large importers and the lone creators.

Bought your Token online? Jump straight to point 2!

Some guests sell their autographs directly from their table and don't require a pre-purchased Token.

The photo session time is printed on the Token you purchase. **2.** Make sure you line up 10 minutes before your session at Roy's Photography Studio. **3.** Hand your Token or Barcode to the assistant as you enter the queue, they'll exchange it for a Validation Ticket. **4.** Hand over your Validation Ticket at the studio door and have your photo taken with the Supa-Star! **5.** Collect your photo Collection Docket on exiting the Photo Studio. **6.** Proceed straight to the Photo Collection Area where a volunteer will scan your Docket and print your photo.

To get your photo signed, you must have an autograph Token/Barcode as well (see above). **b)** Tokens are NON-REFUNDABLE if you do not redeem them during your nominated photo session. **c)** Consider Tokens as if they're CASH as they cannot be replaced if lost or stolen.

BEHIND THE SCENES: BOAR (MA 15+) PRESENTED BY JOHN JARRATT AND DIRECTOR, CHRIS SUN

In the harsh, yet beautiful Australian outback lives a beast, an animal of staggering size, with a ruthless, driving need for blood and destruction. It cares for none, defends its territory

with brutal force, and kills with a raw, animalistic savagery unlike any have seen before. Believed to be nothing more than a myth, a legend brought to life by a drunken local, the beast ventures closer to civilisation, closer to life, and ultimately, closer to death. It's brutal, it's bloodthirsty, it's **Boar**.

CB will demonstrate the basics of using silicone to make moulds, and resins to cast products out of those moulds. Watch a live demonstration and learn about the various forms of silicones and resins, their uses and the effects that can be achieved with even a very basic knowledge of the materials.

FLOKSY LOCKSY

Since then she has travelled around Australia attending conventions, placing at competitions (both local and interstate) and working towards her cosplay dreams. Floksy's been a cosplay judge for Supanova for the past two years. She looks forward to sharing her knowledge and experiences with you all so please come by **Cosplay HQ** and say Hi!

COSPLAY REPAIR STATION

Attention cosplayers! We've all had that dreadful moment at a convention: a costume malfunction, usually at the worst time. Something needs sewing. Something needs hot glue. Something needs to be done! But where to go for help? **Cosplay HQ Repair Station**, that's where! Our skilled team is able to assess and repair your costume, give you quality advice and get you out and ready for your photo shoots and onto the stage for the competition.

HEY SUPA-FANS!

Cosplay has grown and expanded over the past 15 years to become one of the most incredible parts of the show. To keep up with that growth as well as the legislative requirements of each state, we've put some rules in place regarding props and costumes to ensure everyone is cosplaying safely. **Supanova Cosplay includes the following 6 Core Guidelines:**

1. RESPECT EVERYONE

Treat your fellow attendees with kindness and respect.

2. EXCESSIVE PROP WEIGHTS

Overly heavy props can cause injury, so aim to use light materials if you can.

3. EXCESSIVE PROP AND COSTUME SIZES

Props longer than 1.5m will need to be taken to Weapons Check.

4. STATE AND FEDERAL LEGISLATIVE REQUIREMENTS

We must comply with the law, so any violations will be addressed.

5. HAZARDOUS MATERIALS

Metal blades, firearms and similar items are not safe for conventions.

6. COSPLAY HQ'S WEAPONS CHECK

If in doubt, come by – it's there to assist the cosplayers of Supanova!

The Supanova Cosplay Guidelines were developed with feedback from the Australian cosplay community, research and consultation. We're confident they're the best way to maintain a safe and friendly environment for all attendees.

Check out the Supanova website for the full list of the Supanova Cosplay Guidelines: <http://www.supanova.com.au/weapons-policy/> or come speak to the team at **Cosplay HQ**.

SUPA-SEMINARS

SUPANOVA'S SUPA-STAR GUESTS WILL PARTICIPATE IN SPECIAL PANEL DISCUSSIONS, WORKSHOPS AND EVENTS WHERE YOU CAN LEARN THE TRICKS OF THE TRADE AND WHAT MAKES YOUR FAVOURITE ARTISTS TICK. HERE ARE SOME OF THE HIGHLIGHTS.

LITERARY PANELS

MR OR MRS SMITH?

Keri Arthur, Maria Lewis and Corey J. White will be tackling the topic of gender in speculative fiction. This genre offers the opportunity for writers to explore social conventions, including gender, gender roles, and beliefs, where it reflects the popular perceptions of the world in which the creators were writing.

IMPOSSIBLE QUESTS

Gallant heroes, faraway lands and epic journeys are some of the elements that our guest authors employ to keep you hooked to the very end. Come and hear how Terry Brooks, Lynette Noni, Marianne Curley (Gold Coast Exclusive) and Ian Irvine tackle their impossible quests and overcome death defying odds!

PUSHING THE BOUNDARIES OF YA

Supa-Star authors Victoria Aveyard, Lynette Noni, Maria Lewis and Marianne Curley (Gold Coast Exclusive) have written some of the most captivating young-adult novels of our time, capturing teen to adult readers. So, this begs the question, should YA be a relevant term to define this genre and where are the lines drawn with YA and adult fantasy writing?

INFINITE DIVERSITY IN INFINITE COMBINATIONS

A panel to discuss the importance of diversity in all aspects of geek culture, from media sources through to the spaces in which we engage with them.

JOIN STARFLEET ACADEMY (Melbourne Exclusive)

Have you ever wanted to go to STARFLEET Academy, or the Daystrom Institute? Walk in the footsteps of the greats, like Doctor Zefram Cochrane or Professor of Archelogy, Richard Galen? Well you can! Yes STARFLEET, a world-wide fan club, can give you that chance. So, transport down to the Supanova Seminar stage for an orientation to see if you could be accepted into STARFLEET Academy. The orientation will consist of the history of STARFLEET and then an entry exam.

COMIC PANELS

SKETCH-OFF

Only at Supanova will you find incredibly talented creators like Arthur Adams, Joyce Chin and Mike Grell facing off against each other in a Sketch-Off competition to decide (through audience acclaim) the "best" sketch of the day! Witness a free-for-all (not really, but there is the occasional trash talk) to see who comes out on top with the chance of winning a free raffle for one of the fabulous pieces created during the session!

IS ONE THE LONELIEST NUMBER?

Pros and Cons of working in a Studio vs Singleton. Creating comics can be a lonely business for some with little feedback until after the book is published. Come along and chat with leading creators to find out how they cope and whether they found working in a studio environment more to their taste or if they prefer working by themselves. Is it still a "lonely" existence with Instagram and other social media available? Panellists: David Yardin, Jon Sommariva and Al Barriounevo.

FEMALE CHARACTERS FEATURE!

Discussion on the influx of high profile female characters in TV, movies, comics etc. including Netflix series (*Daredevil*, *Jessica Jones*, *Luke Cage*), DC TV series (*Supergirl*, *Legends of Tomorrow*, *Arrow*), movies (*Black Widow*, *Lady Sif*, *Rey*, *Nakia*), comics (*X-23*, *Black Widow*, *Captain Marvel*, *Wonder Woman*). Panellists: Katie Houghton-Ward (Gold Coast Exclusive), Alisha Jade (Melbourne Exclusive), Tom Taylor and Stewart McKenny.
