WELCOME TO SUPANOVA 2019

WELCOME TO SUPANOVA COMIC CON & GAMING 2019 IN SYDNEY AND PERTH!

What is it about Supanova that excites me?

The stars, the activations, the celebrations, but most of all, I get excited about you!

I was reminded of this most recently when asked in an interview, "what's your favourite part of Supanova?" It only took me a moment to respond, "10am Saturday morning when the doors open and literally thousands of fans stream in with looks of excitement, anticipation and joy on their faces." All our efforts, all *my* efforts as the leader of the team, are about arriving at that moment and then delivering a great event!

Yes, we open on Fridays, both fully in Sydney and partially in Perth, but I'm sure you know what I mean if you've been one of those fans champing at the bit to come inside among a sea of people Saturday morning.

And there's a lot to celebrate once again with a truly global Supa-Star in Elijah Wood attending and you, our fans in Perth, finally getting to see Stephen Amell this year. "Why not Perth?" no longer!

Speaking of celebrating, we're also very proud to be giving *Mad Max* some 40th anniversary love! It changed cinematic history all those years ago.

That's just the tip of the iceberg though. Please enjoy reading through this Event Programme to see just how much awaits you!

Yours in fun!

Daniel Zachariou
Supanova Comic Con & Gaming
Founder and Event Director

P.S. Speaking of the Event Programme, this will be our last one in its current format. They've been labours of love and I'd like to particularly thank the team that's spent so much time and effort putting them together. This is also the end of the current iteration of the Supanova Showbag, which has been a constant since the very first comic-fest! in 2000. We'll be back with new methods to guide and support you in November!

Children 12 years and under cannot be left unattended. **If you need to report a lost child, please do so at the Info Booth.**

MATURE CONTENT

Supanova is a family event but some exhibitors may stock material that is intended for a mature audience. Classification ratings for the film and TV screenings are posted in the relevant theatres, and in the Event Timetable listings. Activities rated MA15+ or over require a guardian to be present.

SUPANOVA'S THE ALLEY!

MOST POP CULTURE CONVENTIONS HAVE AN ARTISTS' ALLEY. US? WE HAVE THE ALLEY! SHOWCASING INCREDIBLE ARTISTS, FAN CLUBS, STORYTELLERS AND TRADERS OF THE MOST AMAZING MERCH, THE ALLEY IS AN ABSOLUTE MUST-SEE FOR EVERY VISITOR TO SUPANOVA. TO MAKE IT EASIER TO DISCOVER WHAT MAKES YOUR HEART POUND OR SOAR, THE ALLEY IS DIVIDED INTO THE FOLLOWING EASILY NAVIGATED DISTRICTS...

This is the place for indie gaming and film/TV-based start-ups and promotions. Get in on the ground floor of these grass roots creative endeavours!

The home of artisans and craftspeople producing their own prints, posters and postcards, jewellery and badges, t-shirts and other amazing wearables, mugs, frames, statues and any number of other incredible, singular products.

The name says it all! Fans showing and sharing their love for their chosen obsessions. Hook up with kindred spirits and benefit from the camaraderie of shared interests. This is also where you'll find charity organisations.

This is where storytellers of all kinds can be found. Whether presented in comics or graphic novels, self-published children's books or novels, manga or mini-comics, it's all here – presented by the creators, writers, artists and publishers themselves.

This is where you can discover those hard to find collectables and imports, interesting and must have artifacts, and stuff that just can't be found anywhere else! The Supa Market fills the gap between the large importers and the lone creators.

AUTOGRAPH & PHOTO OPS

HOW TO REDEEM YOUR AUTOGRAPH & PHOTOGRAPH TOKENS

Have you already bought your Token online? Simply print out the Barcode or bookmark it on your phone and have it handy when you're ready to redeem.

Additional Tokens may also be purchased from the Supanova Store, though some guests may sell Autographs directly from their table and do not require a Token.

AUTOGRAPHS: 1. Take your Autograph Token (with Barcode) to the Supa-Star Signing Area and queue for your turn. 2. Have the Barcode scanned, and select a print to be signed from the Supa-Star's assistant. If you want your own item signed instead of a print, make sure you have it ready to present. 3. Enjoy your moment with your favourite Supa-Star, and your newly signed item! **NOTE:** a) One (1) signature per Barcode. b) Tokens are NON-REFUNDABLE and deemed void if you do not redeem them during the convention. Consider Tokens as if they're CASH as they cannot be replaced if lost or stolen.

PHOTOGRAPHS: 1. Make sure you line up 10 minutes before your session at the Nebula Photography Booth. The photo session time will be printed on the Token you've purchased. 2. Have your Photograph Token (with Barcode) ready to be scanned by a volunteer at the studio door, and when instructed step into the Studio and have your photo taken with the Supa-Star! 3. Pick up your photo Collection Docket on exiting the Studio. 4. Proceed straight to the Photo Collection Area where a volunteer will scan your Docket and print your photo. **NOTE:** a) One (1) print provided per Barcode. b) Photo fees do not include an Autograph. To get your photo signed, you must have an additional Autograph Token (see above). c) Tokens are NON-REFUNDABLE if you do not redeem them during your nominated photo session. d) Consider Tokens as if they're CASH as they cannot be replaced if lost or stolen.

LITERARY PANELS

WRITING POWERFUL WOMEN IN FANTASY AND HORROR

Sydney: Julie Kagawa (*Iron Fey*, *Blood of Eden*, *Talon*, *Shadow of the Fox* series), Lynette Noni (*The Medoran Chronicles*) and Astrid Scholte (*Four Dead Queens*).

Perth: Maria Lewis (*The Witch Who Courted Death*, *It Came From The Deep*, *Who's Afraid?*), Amanda Bridgeman (*Aurora* series, *The Time of the Stripes*), Marianne de Pierres (*Peacemaker* series, *Parrish Plessis* series) and Demelza Carlton (*Return: Hansel and Gretel Retold*).

Our panellists are tackling the question of, 'are male characters created by male authors dominating the fantasy genre?' What are the basic differences between the roles and the functions of men and women characters in fantasy writing? Must women characters have "masculinity" to make their roles stronger and more important?

THE BOOK WAS BETTER

Sydney: Maria Lewis (*The Witch Who Courted Death*, *It Came From The Deep*, *Who's Afraid?*), Amanda Bridgeman (*Aurora* series, *The Time of the Stripes*) and Jack Heath (*Just One Bite*).

Perth: Julie Kagawa (*Iron Fey*, *Blood of Eden*, *Talon*, *Shadow of the Fox* series), Lynette Noni (*The Medoran Chronicles*), A.J. Betts (*Hive*, *Rogue*, *Zac and Mia*) and Daniel O'Malley (*The Rook*, *Stiletto*).

It's such a common phrase to hear, 'The Book Was Better!', and in most cases this might be correct, but is it always? What books made a successful transition from page to screen, and which did not? Is it always prudent for authors of the novel to write the screenplay and what are the pitfalls of the process?

NOT TO BE MISSED!

BEHIND THE SCENES: ON HALLOWEEN(M). PRESENTED BY CAST AND CREW

COSPLAY CREATIONS!

ANY SUPANOVA ATTENDEE WILL TELL YOU THAT COSPLAY IS ONE OF THE HIGHLIGHTS OF THE EVENT, WHETHER YOU'RE A SERIOUS COSPLAYER OR JUST HAVING FUN TAKING SNAPS!

With an amazing array of cosplay events, panels and competitions, Supanova is dedicated to providing a thrilling cosplay experience for everyone!

ANDYCAM COSPLAY

A veteran cosplayer of 10 years from Melbourne, with an army of more than 140 cosplays and over 50 awards. Since beginning, he jumped right into the thick of things and entered in many cosplay contests and attended conventions all over Australia, and a few in the USA. Since then, it has been nonstop craziness involving copious amounts of hot glue, ridiculous amounts of fabric, last minute stressing and fabulous friends! AndyCam is pumped and ready to join the team at Cosplay HQ and looks forward to seeing everyone as they visit Supanova!

TJ COSPLAY

Melbourne-based cosplayer who has been creating for close to a decade. Her favourite aspects of cosplay are travelling to interstate and international conventions, as well as the friends she makes on the way. Her skills and techniques are mostly self-taught, and she enjoys all aspects of the creation process; though, she is especially well known for her gravity-defying wigs. TJ has recently been involved with managing and running cosplay events and holding panels on various topics. This is the area she enjoys the most; sharing the things she has learned with the community, and her love for all things cosplay and pop culture. She has an extreme love of Star Wars, X-Men comics and video games (she used to be a game dev!). TJ is incredibly excited to be at Cosplay HQ, and can't wait to see what the cosplayers bring to the worktable!

COWBUTT CRUNCHIES COSPLAY

An award-winning cosplay couple who specialises in a wide range of techniques to create costumes that are both intricately detailed and impossibly over the top. Their ever-growing skill set includes advanced needlework, extreme wigwork, detailed armour, makeup effects, mouldmaking, lighting, and animatronics. Most of their intricate outfits will combine multiple skill sets, and they will often create original designs in order to showcase these with large, detailed projects. With over fifteen years' experience, their primary focus is on learning and creativity. Cowbutt Crunchies strongly believe in giving back to the cosplay community, and regularly create free-access tutorials and guides to help others learn new skills. As part of their community involvement they donate any cosplay-related profits to charity organisations and cat rescues, primarily through their website Cosplayers for Cats.

FEATURED PHOTOGRAPHER: STEAMKITTENS

Remember to stop by Cosplay HQ to pose for that perfect portrait of your costume! A well-known and talented fixture of the cosplay community, Steamkittens will be taking photos all weekend in both Sydney and Perth. Steamkittens will be supported by local photographers in both cities.

SUPANOVA COSPLAY ODYSSEY

Supanova's own advanced national cosplay competition, where you have the chance to share in \$15,000 worth of prizes. The Odyssey will be held at each of the six Supanova events around the country, in search of each city's Cosplay Hero. Aside from winning a phenomenal cash prize, each of these Cosplay Heroes will then have a chance to be named the final overall winner – our Odyssey Hero, who will be able to continue their cosplay journey all the way to the United States for Dragon Con 2019.

Are you ready for your adventure to begin?

What Can I Win?

Each city's Cosplay Hero will win a **\$1,000 cash prize**, provided by Supanova.

In addition, the **Lumin's Workshop Award** will be presented in each city. This award is a \$300 voucher to Lumin's Workshop, and will be awarded in recognition of amazing achievement in cosplay.

Our **overall Odyssey Hero**, in recognition of their incredible achievement, will win the trip of a lifetime to the United States to attend Dragon Con 2019, including:

- Flights for two to Atlanta, Georgia
- Two five day badges to Dragon Con 2019
- A five night stay in the iconic Marriott Marquis
- \$1,000 spending money

Our skilled team can assess and repair your costume, give you quality advice and get you out and ready for your photo shoots and onto the stage for the competition.

HEY SUPA-FANS!

Cosplay has grown and expanded over the past 15 years to become one of the most incredible parts of the show. To keep up with that growth as well as the legislative requirements of each state, we've put some rules in place regarding props and costumes to ensure everyone is cosplaying safely. **The Supanova Cosplay Guidelines include the following 6 Core Guidelines:**

1. RESPECT EVERYONE

Treat your fellow attendees with kindness and respect.

2. EXCESSIVE PROP WEIGHTS

Overly heavy props can cause injury, so aim to use light materials if you can.

3. EXCESSIVE PROP AND COSTUME SIZES

Large Cosplay Props will need to be inspected by Weapons Check.

4. STATE AND FEDERAL LEGISLATIVE REQUIREMENTS

We all must comply with the law, so any violations will be addressed.

5. HAZARDOUS MATERIALS

Metal blades, firearms and similar items are not safe for conventions.

6. SUPANOVA'S COSPLAY HQ WEAPONS CHECK

If in doubt, come by – it's there to assist the cosplayers of Supanova!

The Supanova Cosplay Guidelines were developed with feedback from the Australian cosplay community, research and consultation. We're confident they're the best way to maintain a safe and friendly environment for all attendees.

Check out the Supanova Website for the full list of the Supanova Cosplay Guidelines: <http://www.supanova.com.au/weapons-policy/> or come speak to the team at Weapons Check, located in the event foyer.

A SUPERHERO COSTUME WITH A TWIST

NOT ALL HEROES WEAR CAPES, SOME WEAR SUPERTEES!

Australian company Supertee produces children's medical garments disguised as superhero costumes that give comfort and courage to children fighting battles in hospital.

Shortly after his daughter's first birthday, Jason Sotiris's little girl began feeling ill. Days and numerous tests later, he would be told that his daughter had a rare type of cancer, Langerhans Cell Histiocytosis.

She was given a 20% chance of survival.

"Nothing can ever prepare you for seeing your child battle something like cancer. It was like a bully hiding inside her organs and veins, and the only way to deal with it was to stand up for her, knowing she was barely able to walk," said Jason. Sitting by her hospital bed, he thought about what he could do to help her. Noticing how difficult it was to change her whilst she was connected to the I.V. drip central lines and monitoring cables, he began thinking about a way to help. Jason called his childhood friend, Yusuf Muklis, and together over many late nights and prototypes, the two tradie dads created something they hope will help make the lives of sick children that little bit easier.

Yusuf shares his vision for the Supertee: "We want to empower little heroes everywhere, fighting their own battles with illness, to have the courage to win those battles."

With the help of Supanova, they have unveiled their range at Superhero events at children's hospitals such as Westmead, Sydney and John Hunter Children's Newcastle, with 'Supa-Stars' and volunteer cosplayers visiting ill children and handing out Supertee packs. They have also been able to distribute to Royal Children's and Monash Children's Hospitals in Melbourne, as well as Lady Cilento Children's in Brisbane.

Each Supertee garment comes with its own cape that doubles as a bib, a comic/activity book, morale boosting themed stickers, and a bookmark with a personal message for the parents, encouraging them to keep going, all cleverly packaged in a cool reusable tin.

They also aim to raise funding for new treatments of childhood diseases, and to support local hospitals and various children's charities and foundations.

To continue their mission, they need your help!

You can join the fight by stopping by their booth and sponsoring a Supertee pack for a sick child or leaving a donation. You can also contribute through their website Supertee.com.au or follow them on Facebook and Instagram (@The_Supertee_Project) and help spread the word.

Because after all... every Superhero deserves a costume!

BEHIND THE SCENES & EXCLUSIVE SCREENINGS

I AM MOTHER (M)

Grant Sputore is the creator and director of the new sci-fi property *I AM MOTHER*, starring Clara Rugaard alongside two-time Academy Award winner Hilary Swank and the voice of Rose Byrne. The film is Sputore's debut feature and had its world premiere at the 2019 Sundance Film Festival. The story follows a young girl (Rugaard) who is raised by a robot (Byrne) after the extinction of humankind, but the pair's unique bond is threatened with the arrival of an inexplicable survivor (Swank). Featuring an incredible, all-practical robot (created by the geniuses at Weta Workshop) at its centre, the film is available world-wide on Netflix.

ON HALLOWEEN (M)

Super fun, fast paced creepy clown movie that introduces audiences to two demonic style entities that have been posing as clowns for over a hundred years, attacking people on Halloween in order to prolong their 'unnatural lives'. The film follows three groups of characters as they hunt for these mysterious figures. A group of college kids who go 'clown

hunting', a group of detectives who have just joined the cast of a new reality TV cop show, and a TV journalist who is searching for the truth surrounding the disappearance of people in her local area on and around Halloween?

Making films since he was a teen, this is Timothy Boyle's fifth feature film. After leaving high school, he worked for Beyond Productions as presenter and production assistant for a children's TV show. After stints at both Sony Music (heavily involved in the original PlayStation launch) and then with Roadshow Entertainment, he went out and made his first feature film *The Big Night Out*. This would be the first time Timothy would work with Telen Rodwell, the man twenty years later who would don the mask of Boo and become the main clown in *On Halloween*. Timothy would then go on to make films with a number of high-profile international stars including the very talented John Rhys Davies (*Lord of the Rings*, *Indiana Jones*). Timothy is currently finishing off another feature film and is in the process of writing more.

Sydney panellists: Timothy Boyle (Writer/Director/Producer/Cinematographer), actors Conor Fogarty, Robert Harrell, Aaron J March, Brandon Paterson, Daniel Cummings and Ezekiel Simat.

Perth panellists: Timothy Boyle (Writer/Director/Producer/Cinematographer), John Hresc (Sound designer) and actors Conor Fogarty and Robert Harrell.

SAGA OF TANYA THE EVIL (MA 15+) Australian Premiere at Supanova Sydney

The time is UC 1926. The Imperial Army's 203rd Air Mage Battalion, led by Major Tanya Degurechaff, has won the battle to the south against the Republic's stragglers. They expected to be given a vacation after returning victorious, but instead receive special orders from Staff HQ as soon as they get home. They are told that there were signs of a large-scale deployment near the Empire-Federation border. Meanwhile, an international volunteer army spearheaded by the Commonwealth set foot in Federation territory. They suffer through misfortune purely out of national interest, and among

SUPA-FANS FROM SYDNEY AND PERTH.
CAN YOU SEE ANY FAMILIAR FACES?**

MEET THE SUPA-CREW!

EACH TOUR WE SELECT TWO STAFF MEMBERS TO TELL YOU THEIR STORY OF HOW THEY CAME TO WORK FOR SUPANOVA AND WHAT THEIR ROLE IS

POKE

Joining the team in 2014 after volunteering for a few years, Poke is a perpetual fun wizard, and also the ZIC of the AV/Tech Department. Originally in the Front of House department, it was his technical skills and filmmaking background that opened the door into moving to the AV/Tech team, and like all good tech guys, he hasn't moved much since. Having a hand in putting together the amazing show that is Supanova, six times a year, has been nothing but a whirlwind of amazing people, opportunities, and the warmest reception and welcome into the Supanova family a meme-loving Internet rando like Poke could ask for. Experiencing things from a patron's perspective, then moving into a Volunteer, Crew, and now a Staff position has given Poke a unique experience at Supanova that not many people get. Not satisfied with just one hat however, Poke also edits our online video content for Supanova TV, produces the Supanova Supa-Star Showcase, and assists our Comms and Social Media team between shows, all while simultaneously being astoundingly bad at every video game ever. And now, after being interviewed for his bio, Poke is off to do his favourite thing, go to bed and nap. Poke will sign this page for \$5, cash only (jokes!)

OUR STAFF WORK EXTREMELY HARD BEHIND THE SCENES, SO IT'S TIME TO LIFT THE CURTAIN. PLEASE MEET POKE AND JESS!

JESS

Jessica started volunteering with Supanova in 2008, travelling through different departments until she found her calling in the Front of House department, eventually becoming Head of Department for several years. Her love of new and exciting things has seen her rotate out of that position, and spending time with the Stage Management and AV/Tech departments to get a new perspective on how the show comes together. From a young age, Jessica was very much "one of us", growing up on a steady diet of X-Men cartoons and *The Legend of Zelda* from her mother, and has maintained that appetite for all things nerdy to this day. She balances a steady stream of JRPGs with being a Retail Senior Store Manager, in addition to being part of the team at Supanova, where she gets to indulge in all things pop culture and see her friends around Australia.
